

Course Information Course title: **Driver Training Instructor Re-certification** This course will fulfill the Department of Criminal Justice Services mandated Driver Training instructor re-certification requirements. **All Driver Training Instructors must successfully complete the General Instructor Re-certification course prior to taking this course.**

Prerequisite(s): Students below the rank of sergeant must be enrolled by a supervisor.

Course Requirements Introduction: This course is comprised of one training module. The module is composed of several sections (classes). Students who complete this course will be re-certified as Driver Training Instructors and will earn 2 hours of career development in-service credit.

Requirements: Students must read the material contained in training module. After the student has read the material in the module, he must take the module quiz. In order to successfully complete the module quiz, the student must score 70%. The student will be given two opportunities to successfully complete the quiz. At the director's discretion, a third opportunity may be granted upon the request of the student's chief, sheriff or agency administrator.

Module 1 Lesson: Driver Training Instructor Recertification Objectives or Goals: The objective of this course is to provide re-certification training for Driver Training instructors.

Topics:

1. Reasonable Force
2. Emergency Driving
