

**Course Information** Course title: **Defensive Tactics Instructor Re-certification** This course will fulfill the Department of Criminal Justice Services mandated defensive tactics instructor re-certification requirements. **All Defensive Tactics Instructors must successfully complete the General Instructor Re-certification course prior to taking this course.**

**Prerequisite(s):** Students below the rank of sergeant must be enrolled by a supervisor.

**Course Requirements** Introduction: This course is comprised of one training module. The module is composed of several sections (classes). Students who complete this course will be re-certified as Defensive Tactics Instructors and will earn 2 hours of career development in-service credit.

Requirements: Students must read the material contained in training module. After the student has read the material in the module, he must take the module quiz. In order to successfully complete the module quiz, the student must score 70%. The student will be given two opportunities to successfully complete the quiz. At the director's discretion, a third opportunity may be granted upon the request of the student's chief, sheriff or agency administrator.

**Module 1** Objectives or Goals: The objective of this course is to provide re-certification training for Defensive Tactics Instructors.

Topics:

1. Use of Force During Arrests
2. Constitutional Law and Use of Force
3. Positional Asphyxia
